

AMEITEC

power of elegance

AMEI PSU AM-300U

Structured by professionals - bottom placed fan and mesh side panel creates together sufficient air flow and prevents overheat of components. Ingenious structure of cables and connectors satisfies wants of demanding users.

Considering the needs of power and stability - using only reliable and quality components.

Power	300W	External cables	1 × convertor MOLEX to SATA 1 × power cable
Dimension	125 × 63 × 101 mm	Color	silver
Weight	0.65 kg	Shipping details	15 pcs/carton
Suitable for	microATX	Shipping dimension	460 × 360 × 140 mm/carton
Fan	1 × 80 mm	Shipping weight	12 kg/carton
Branches	+3.3V 15A, +5V 12A, +12V 15A, -5V 0.8A, -12V 0.3A, +5V 2A		
Cabling	1 × 20/24 pin - 210 mm 1 × P4 - 350 mm 1 × SATA/MOLEX/MOLEX - 190/440/490 mm
