power of elegance

AMEI Case AM-C1001/2

Created with respect for contemporary needs of PC users - all necessary ports easy accessible, a lot of space for additional fans and enough bays for the devices.

Designed in playful style - classic simplicity with the touch of gamesome elements.

Manufactured from the best components only - used high quality steel, concentrated on the quality of used cables, connectors and other parts, UV protected front panel for color stability.

Considers safety of users - rounded steel edges prevents eventual injury while assembling.

Variety - choice of several colors and types of printing.
