## AMEI Keyboard AM-K2001

Art worked with long time experience - compact size with comfort of full size keyboard, ergonomic design, very silent stroke and tactile feedback.

Designed with a view to comfort use - very slim design and small size makes it suitable for notebook and multimedia center users, pocket PC, car media, mobile service and children.

Manufactured with respect for details and simple elegance - eye-catching green status LEDs for Caps, Num and Scroll Lock, comfortable stands for adjustable height of placing; up-to-date stylish matting combined with interesting glossy parts.
